- Special Trucks / Trailers.
- Door to Door delivery.

## NVOCC:

- Our NVOCC operations allows us to leverage the shipping volumes of imports and exports while offering ocean transportation services at competitive rate levels. This is to accomplish through involvement with industry associations, ACS affording access to numerous service contracts, grouping member shipping volumes together resulting in rate levels individual members are often unable to obtain on their own.

The end result is a cost savings recognized by our shipper clients.

- Our NVOCC services - imports, exports and foreign to foreign. Combined with our freight forwarding and custom brokerage services, allows complete shipment visibility from the moment a booking is in place. With NVOCC and Freight Forwarding services managed by a single point of contact coupled with our online track & trace system, Pick up the phone today and let one of our NVOCC specialist show you how we do worry-free international shipping.

## Custom Clearances:

- Custom Clearances for Sea, Air & Overland Shipments.
- Custom formalities and stamps.
- Documentation and full set of commercial Documents.
- Banking Documents.
- Legalization and Chamber of Commerce.
- Duty Paid / Normal imports Shipments.
- Duty Exempted Shipments.
- Shipment in Transit to IRAQ.

## Project Handling:

The project division is the latest addition to our range of services and was officially introduced in July 2003. The complexity of project cargo transportation calls for special expertise and experience. There is no load too big or a job too complex for ACS project cargo team.

## Warehousing:

ACS offers bonded and non-bonded storage services at warehouse facilities which enjoy 24-hour security and efficient loading and unloading. Our customers enjoy economics of scale by storing their merchandise with us. ACS provides public and contract warehousing for wide range of markets.

## Consolidation:

LCL Consolidation is our core business and being a leading LCL consolidator we offer bi weekly and weekly console boxes to following shipping hubs.
